

Argus Innovators Awarded Third Consecutive Quarterly Top Guns Distinction

Once again, Informa Financial Intelligence has awarded Argus Innovators' Counsel, Inc. (AIC) a PSN Top Guns distinction in the Bull & Bears Masters Large Cap Core Equity category for AIC's Argus Innovators strategy.

The Argus Innovators strategy was selected from a peer group of 151 firms across 246 Large Cap Core products.

The Argus Innovators product ranked in the Top 5 in the Bull & Bears Masters category for the latest three-year period ending Q3 2021. The Argus Innovators ranked in the top 10 for Q1 and Q2. The Bull & Bear Masters requires an r-squared of 0.80 or greater relative to the style benchmark for a three-year period; an upside market capture over 100; and a downside market capture less than 100 relative to the style benchmark. The top 10 capture ratios of upside over downside become the PSN Bull & Bear Masters.

The Argus Innovators Portfolio seeks to outperform the S&P 500 Index over a period longer than 12 months by holding a diversified portfolio of stocks issued by companies with proven records of innovation. The portfolio focuses on innovative companies that spend aggressively on R&D, generate a high percentage of sales from products launched in the last five years, apply for and receive numerous patents, and develop cutting-edge management practices and methodologies that are adopted across industry verticals.
